COD System Maintenance Planned For Sunday, September 9, 2007 (09/05/07)

The COD System will undergo routine maintenance on Sunday, September 9, 2007 from 1:30 A.M. until 8:00 A.M. (ET). In addition, the Student Aid Internet Gateway (SAIG) will be unavailable from 3:00 A.M. until 11:00 A.M. (ET) due to its regular Sunday morning maintenance. The impact of these overlapping outages is as follows:

- Users will not be able to submit or retrieve data via the COD Web site between 1:30 A.M. and 8:00 A.M. (ET).
- Batches submitted by schools via the SAIG between 1:30 A.M. and 3:00 A.M. (ET) will be held and not acknowledged back to schools until after the SAIG comes back up at 11:00 A.M. (ET).
- Schools attempting to transmit batches via the SAIG between 3:00 A.M. and 11:00 A.M. (ET) will receive an error message informing them that the SAIG is unavailable and that the data must be transmitted at a later time.

Federal Student Aid apologizes for any inconvenience these outages may cause. If you have any questions about the COD System, contact the COD School Relations Center. If you have any questions about the SAIG, contact CPS/SAIG Technical Support at 800/330-5947 or by e-mail at CPSSAIG@ed.gov.

2006-2007 Grant Processing Deadline Is October 1, 2007 (09/05/07)

The deadline for electronically transmitting Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent Grant (National SMART Grant), and Federal Pell Grant (Pell Grant) records for the 2006-2007 Award Year to the COD System is **11:59 P.M (ET) on Monday, October 1, 2007**. To meet this deadline, a school's transmissions must be completed and accepted by 12:00 midnight (ET).

For additional information about the deadline, refer to [the September 4, 2007 Electronic Announcement posted on the Information for Financial Aid Professionals \(IFAP\) Web site](#).

Note: In [the September 4th Electronic Announcement](#), Federal Student Aid informed schools that it will send 2006-2007 Reconciliation Reports to schools' Student Aid Internet Gateway (SAIG) mailboxes during the period September 6 - 8, 2007. Due to the mass generation of these Reconciliation Reports, the Pell ID in the header and trailer of each file will not necessarily be associated with the school that receives the report.

If a school is unable to download and then view, print, or import a report into a spreadsheet as explained in [the September 4th Electronic Announcement](#), the school can request the report via the [COD Web site](#) or by submitting the batch data request for the appropriate program/award year message class via the SAIG. For information about how to request these reports, refer to Volume VI, Section 8 of the [2006-2007 COD Technical Reference](#).

End of Federal Fiscal Year 2007 – Impact on Funds Availability (08/14/07)

September 30, 2007 marks the end of the Federal fiscal year for the Department of Education (the Department). Some of the Department's core financial systems, including the Grant Administration and Payment System (GAPS), will be on a modified processing schedule while the Department finalizes its processing and accounting for Fiscal Year 2007. These interruptions will impact how the COD System will process financial data and when schools can obtain funds for the Federal student aid programs as follows:

- ***Monday, September 17, 2007 through Wednesday, September 26, 2007***– Financial processing between the COD System and EDCAPS/GAPS will be reduced to once every evening (instead of the normal twice-a-day, morning/evening processing). As a result, early morning processing will be completed in the evening. Current Funding Level (CFL) changes and funding could be delayed by a day.
- ***Thursday, September 27, 2007 through Monday, October 1, 2007*** – The COD System will accept Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent Grant (National SMART Grant), Federal Pell Grant (Pell Grant), and William D. Ford Federal Direct Loan (Direct Loan) disbursements, but CFL changes and funding will not be processed by EDCAPS/GAPS until Tuesday, October 2, 2007.
- All actual disbursements with a disbursement date from September 27, 2007 through October 2, 2007 must be received and accepted by the COD System ***no later than 10:00 A.M. (ET) on Wednesday, September 26, 2007***, in order for them to be included in the drawdown prior to the shutdown. Disbursements submitted after this time and disbursements with a disbursement date after October 2, 2007 will be funded after EDCAPS/GAPS re-opens on October 2, 2007.
- ***8:00 P.M. (ET) on Sunday, September 30, 2007 through 6:00 A.M. (ET) on Tuesday, October 2, 2007*** – The GAPS e-Payments Web site will not be available. Schools will not be able to draw down Campus-Based, ACG, National SMART Grant, Pell Grant, or Direct Loan funds during this period.

This same information is posted in an August 13, 2007 Electronic Announcement posted on the Information for Financial Aid Professionals (IFAP) Web site. The Department appreciates your patience and understanding as it completes the required activities during the upcoming period. All financial processing is expected to be caught up by Friday, October 5, 2007.

G5 Implementation Coming Soon (06/29/07)

Recently, the Department of Education (the Department) announced the development of **G5—a state-of-the-art electronic system for grants management and payments**. G5 will replace the current Grant Administration and Payments System (GAPS), including the e-Payments functionality used by schools to draw down Campus-Based, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent Grant (National SMART Grant), Federal Pell Grant (Pell Grant), and William D. Ford Federal Direct Loan (Direct Loan) funds. G5 will provide a number of performance, processing, and customer enhancements.

The Department will implement G5 in three phases over several years. Phase I of G5 will address e-Payments and provide improved drawdown functionality. Full implementation of Phase I is currently targeted for the last quarter of calendar year 2007—most likely over the Veterans Day holiday weekend (November 8-12, 2007).

Over the next several months, the Department will provide additional information about Phase I of G5. This information will usually be posted first on the GAPS [e-Payments Web site](#) and then will be followed by an Electronic Announcement on the [Information for Financial Aid Professionals \(IFAP\) Web site](#), an update to this item in the COD Processing Update, and a message on the [COD Web site](#). Please monitor these communications and share the information, as appropriate, with others at your school/organization.

The most current G5 information is posted on the GAPS [e-Payments Web site](#) and in a [June 28, 2007 Electronic Announcement](#) on the IFAP Web site.

If you have any questions about the status and/or implementation of G5, you may e-mail G5_Admin@ed.gov (G5_Admin@ed.gov).

Updating School Contact Information in the COD System (09/07/07)

Federal Student Aid wants to remind all schools and third party servicers that contact information in the Common Origination and Disbursement (COD) System must be kept current. Contact information is extremely important for the COD School Relations Center. Of utmost importance are e-mail addresses and mailing addresses.

- The e-mail address for the Financial Aid Administrator is used to deliver time-sensitive materials and critical COD processing information to the school.
- For a Direct Loan school, correct mailing address information ensures that Direct Loan closeout letters are delivered timely and to the correct place.

Please ensure that all contact information is updated as needed.

Submitting Updates to School Contact Information

Depending on the type of information to be updated, a school must submit updates in one of the following two ways:

1. In accordance with 34 CFR 600.21, most changes must be reported using the [Electronic Application for Approval to Participate in Federal Student Financial Aid Programs \(E-App\)](#). This includes changes to the following information:

- School name
- School address (including any branches and locations)
- Names of the President (or equivalent title), Chief Financial Officer (or equivalent title), and Financial Aid Administrator (or equivalent title)
- Telephone numbers and e-mail addresses for the above officials

Once the E-App is processed, the [COD Web site](#) is updated within 24 hours. It may take longer if there is additional information required by the School Participation Team (formerly known as the Case Management and Oversight Division).

2. Two specific changes can *only* be made via the [COD Web site](#). These are changes to the Direct Loan Officer contact information/mailling address and the Pell Grant Officer contact information/mailling address. To view and/or update the current contact information for these officers, complete the following steps:
 - Log in to the [COD Web site](#).
 - From the School tab, select the “Financial Aid Contact” link (located under the School Information menu). The School Financial Aid Contact Information screen displays the current information for the school.
 - Update or add new contact information by clicking on the “Update” or “Add New” button in the heading for the officer to be updated.
 - Complete the new information and submit the changes.

This information will be processed and updated immediately on the [COD Web site](#).

An [Electronic Announcement](#) with this same information is posted on the Information for Financial Aid Professionals (IFAP) Web site. If you have any questions about updating your school’s contact information, contact the COD School Relations Center.
